Council Chamber Barrie
November 18th 1912

The Council met according to adjournment

The Warden in the chair

All members present
The minutes of the last session were read and confirmed
The Warden addressed the Council in his usual fluent manner, congratulating
the Council on there being no serious damage by floods to County Property
since the June session but regretted the very wet weather that prevailed
which materially affected the great farming interest of the County. He expressed
the desire that the business of this session will be done in the same expeditious
a manner as as characterized the previous sessions of this Council

He drew attention to the large
volume of business done by the
fire companies and the very
inadequate amount of taxes
paid by them and suggested
that the committee on legislation
should take into their consideration
the advisability of memorializing
the Government to place the
fire companies on the same
basis as the telephone and telegraph
companies and there by pay
taxes on their gross receipts
which would be far more
equitable than at present
